Do you have any questions for us?

Thank you for taking the time to complete this application. This is so we can get to know you and your family in order to provide you with a new family member.

A deposit of \$300.00 is due at the time you send your application to us. If something unforeseen happens that you cannot take the puppy that has been reserved for you, we will hold your deposit on a puppy from our next litter.

If there is not a puppy available for this litter, because of sex or color preference, you have the choice between waiting for our next litter, choosing a puppy of a different sex or color if there is one available, or a refund of \$150.

Our price for our puppies is \$2800. You may choose natural or cropped ears.

We also will help you with registration of your puppy on the day you pick him or her up. This will be done online to American Kennel club. It is \$35.00.

All natural ear puppies leave our home between 8 and 9 weeks of age. Cropped puppies stay an additional 2 weeks after cropping for healing. At 9 weeks they really need to get to their new homes and have one-on-one with a human. We don't mind keeping your puppy a few days longer, but any more than that you will be charged \$10 per day. Thank you for understanding.

By signing below, you attest to the truthfulness of your answers and understand about your deposit. Falsification of any of the above information will be grounds for termination of the purchasing process. Please do not hesitate to email us at supersch@aol.com if you have further questions. Welcome to the "Shana" family!
